### 1 Corinthians 12: 4-13

*4 There are different kinds of gifts, but the same Spirit. 5 There are different kinds of service, but the same Lord. 6 There are different kinds of working, but the same God works all of them in all men. 7 Now to each one the manifestation of the Spirit is given for the common good. 8 To one there is given through the Spirit the message of wisdom, to another the message of knowledge by means of the same Spirit, 9 to another faith by the same Spirit, to another gifts of healing by that one Spirit, 10 to another miraculous powers, to another prophecy, to another distinguishing between spirits, to another speaking in different kinds of tongues, and to still another the interpretation of tongues. 11 All these are the work of one and the same Spirit, and he gives them to each one, just as he determines.*

*12 The body is a unit, though it is made up of many parts; and though all its parts are many, they form one body. So it is with Christ. 13 For we were all baptized by one Spirit into one body--whether Jews or Greeks, slave or free--and we were all given the one Spirit to drink. 14 Now the body is not made up of one part but of many.*

### GREETINGS LITTLE CEDAR AND MARSHALL LUTHERAN CHURCHES,

We are each given different gifts to work in church. We are each called to work in the church in a variety of ways, with no ones gift being better than another. There are many parts, but they form one body; the body of Christ.

Confirmation for our 6<sup>th</sup>, 7<sup>th</sup>, and 8<sup>th</sup> graders starts up again in just a short couple of weeks. At the core of our confirmation program is for the students to learn what it means to be a church. We want them to experience everything that makes a church a church. They spend time wrestling with scripture and the catechism. They spend time exploring the church building. They learn about worship, communion, the organ, piano, hymnals, altar, and paraments. They serve as ushers and communion assistants. They learn with their mentors. We join in food and fellowship. We have fun. We pray for each other and our community. We take care of our church building. We serve our neighbors and the world through service work.

As a church we are called to be the body of Christ to the world. We are called to proclaim the Gospel, worship with Christ as the center, nurture each other in faith, and reach out to those in need, the community, the world and all of creation. At the core of what it means to be church is to love God and love our neighbor.

This work is a work that can't be done alone, but is a work that we do together as the church. As we embark together into the busyness of the school year, Sunday school, Confirmation, Friends & Fellowship, other programs, and holiday season, I look forward to the work that we will do together. I hope that we can embolden, encourage, and empower each other and share our gifts as we gather together as the body of Christ. So as we venture together this year, I encourage you to share your gifts with the church as you feel called by God. It is a gift to the church, the community, and the world.

In Christ,

*Pastor Jeremy*

"Do not worry about anything; instead pray about everything. Tell God what you need and thank Him for everything He has done."

*Phil 4:6*

We have been searching for either two part time assistants or one full time assistant for a few months. We have been unsuccessful, so please everyone, send a prayer to God that we fill the job! We have enjoyed many pool days since the weather has been wonderful. We are very blessed to have gotten new carpet for our whole playroom with thanks to a grant from Freeborn Mower Cooperative. It's amazingly soft and it cuts down on noise when we are all playing inside. The kids, and staff, are taking in as much sunshine as we can before we get back to school and the sun isn't as warm! We said farewell to a couple of our part time assistants who left for college. We will miss them dearly!

In today's rush, we all think too much,  
seek too much, want too much,  
and forget about the joy of just being.
